Dedication

MR. KREIGER

The 1972 Indian is dedicated to Mr. Wallace Kreiger, who has devoted 34 years of his life to the education and betterment of young people.

Mr. Kreiger started his teaching career in a one room rural school in the upper peninsula after graduation from Northern Michigan University. After several years in his beloved upper peninsula he moved southward, beginning his career in Chesaning in 1946.

He has taught and directed the Industrial Arts department from the time when he was the only teacher to its present size with five teachers using the very fine facilities that Mr. Kreiger was largely responsible for planning.

We wish you a very enjoyable retirement.

The brief race of time well and patiently run.

So let me pass away, peacefully, silently

Only remembered by friends I have won!

PETE WARD

An abstract line drawing in dark ink on a light background. A large, thin circle is positioned in the upper left quadrant. Several long, thin, wavy lines flow diagonally from the top left towards the bottom right, some overlapping the circle. The lines are composed of multiple parallel strokes, giving them a sense of movement and depth. The overall composition is minimalist and evocative.

"TOO MUCH MISTLETOE."

Exchange Students

Bob Burgess, Efrem Ferreira, Ruben Wainhouse

Chesaning Union High School is honored to have two exchange students, Efrem Ferreira, a Senior from Fortaleza, Brazil and Ruben Wainhouse, a Junior from Buenos Aires, Argentina.

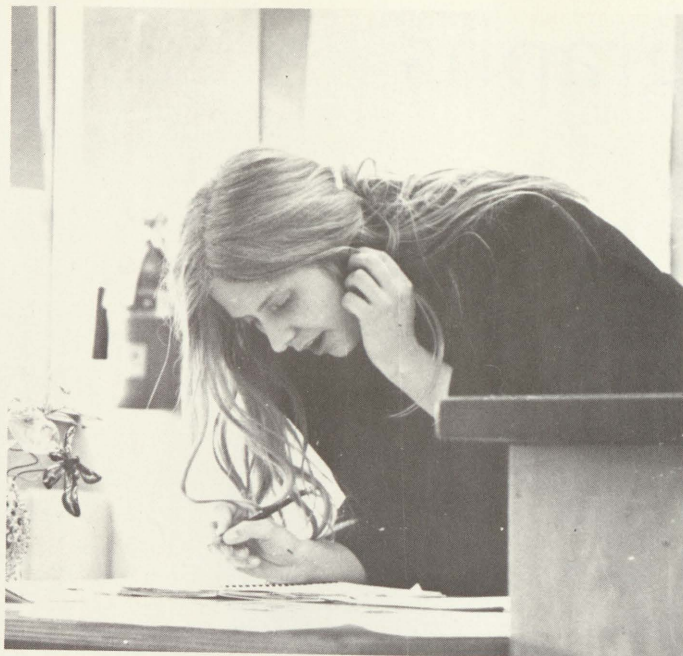

Efrem is 17 years old, he lives at home with two younger brothers, his father who is a dentist, and his mother who has retired from teaching. He is staying with Bob Burgess, and says he dislikes Michigan because of the weather. At home in Fortaleza, he enjoys a temperature that stays around 75 degrees all year long.

Efrem's schedule at school here is quite different than in Fortaleza. At home he attends school for four hours every day. He also completes one hour of class on Saturday. He must take 12 different courses.

I'm Rubin Edwards Wainhaus. I'm fifteen years old and I'm a Junior in high school. I was anxiously looking forward to visit the United States because it was the first time I was able to go abroad, alone. It is quite an adventure and I'm fortunate to make friends whom I found and I hope to find in the future. Ruben is staying with Mr. and Mrs. Lichon.
